PEYOTE STITCH

Charming channel earrings word chart

If you prefer working peyote stitch from words instead of a graphed pattern, this chart’s for you!

designed by Marla Salezze

This row-by-row chart is for Marla Salezze’s peyote stitch earring band for the “Charming channel earrings” from the February 2016 issue of Bead&Button. Refer to the magazine for bead colors and quantities, and for the instructions for completing the earrings.

1 On a comfortable length of thread, pick up the 11° cylinder beads for the first two rows: One color A, four color Bs, and three As. Leave a 6-in. (15 cm) tail.
2 Work in flat even-count peyote stitch to complete the band.

notations
Each stitch is indicated by a letter, and the stitches are separated by commas.

Row 3: A, A, B, A
Row 4: B, A, A, B
